

Full day program Cairo

Full day program pyramids, museum and Khan El Khalili bazaar

Tour manager will pick you up at the agreed time and meeting spot to start your sightseeing tour to visit The Great Giza Pyramids Plateau. It includes the three pyramids of Cheops, Chephren and Mykerions. The Great Pyramid is one of the seven wonders of the ancient world and the only one still in existence today. Near the pyramids is the Sphinx, who is the area's protector, with its lion body and the face of king Chephren. On a visit to the pyramids, it's allowed to enter inside any of the pyramids, up till the king's room in the top, but an entrance ticket is needed. We'll continue driving to visit The Egyptian Museum. It is a great museum of antiquities with the richest collection that displays the pharaoh's ancient life, including the King Tutankhamun's gold & jewelry treasures collection. We'll continue driving to visit Khan El Khalili. It is the oldest bazaars area in Cairo, where you can find and enjoy all kinds of old handmade products, the same as they were hundreds of years ago. Also you can get some rest in an oriental coffee house and enjoy the hot beverages. After the tour, the driver will escort you back to the agreed spot or accommodation place, wishing you've enjoyed your day
